The United States of America, by and through its attorneys, BARBARA L. McQUADE,

for the Eastern District of Michigan, and Jerome M. Maiatico, Trial Attorney for the U.S. Department of Justice, for its Memorandum Regarding Discovery Index, and states the following:

1. During the September 24, 2012 status conference, the Government agreed to provide a “discovery index” describing generally the broad categories of discovery and related materials to be provided to defendants in the above-captioned cases, to aid the court and the parties in assessing the cost and manner of dissemination of discovery in these matters.

2. The information provided in this memorandum is an approximation of the number of pages or size of digital space relevant to each broad category, and these approximations are based upon materials that are currently loaded into the government’s database. There are additional documents, some consensual recordings and other items that have not been loaded into the database, and are therefore not included.
